Meeting called to order

Announcements: Al thanked us for the trail dedication. It has been 40 years since the club started. New members were introduced.

Correspondence: Crown Park Inn sent a letter inviting snowmobilers up to spend the night.

Secretary's Reports read and accepted

Treasurer's Report read and accepted

Committee Reports:

Trail Masters: We could use some more snow as it is a little icy right now on the trails. Pat indicated it appears that the 4 wheeler is finally fixed. The Cheetah drag sled is still in need of repair. It could cost more to repair it than replace it. The club discussed the options and a motion was brought forward that the trail committee will take care of fixing the sled and report back what they have decided.

Website: Go to the website and check it out.

Trip: We all had fun.

Old Business: Regarding apparel, Bev sent a paper around to see what everyone was interested in. In December we approved the purchase of 3 trail signs. It has been decided that all three are no longer needed. A motion was passed to rescind the December vote and we will order the one sign that is needed for next year out by Ackers Acers.

New Business: Nominating committee will be Dave G, Bobby and Bryan. Elections for the Secretary, Treasurer, VP and President along with a director are needed. It was also decided to see if Dave Acker would be stepping down as a director as he had not been to any meeting this season. Nominating committee will report their findings at the next meeting and a vote will be taken

For the Good of the Club:

Next meeting will be March 16, 2011 at 6:00 pm for pot luck & 7:00 for meeting
Meeting Adjourned.

Treasurer's Report read and accepted

Committee Reports:

Trail Masters: Trails look good. Still a lot of water holes at this time so be careful. The 94 Cheetah trail sled for dragging is broken. We also need to think about getting another drag for next year.

Website: We are getting around 6 hits a day on the website.

Maps: Dave made up 4 or 5 big maps one will be in the display at their house. The regular maps have been passed out and money is coming in. We should set something up on the website so people can download the map to a GPS.

Trip: Brian called Great Pond to check as a back up and they are available that weekend. We will make a decision as the date gets close but Eagle Lake is still the place everyone wants to go.

Old Business: Checked Bylaws and it does state that the nominating committee will meet 1 month before the annual meeting. Should have a meeting to discuss changing bylaws to change the terms of the secretary and treasurer to 2 year terms. Bev met with a representative from Will Dale. He can put our logo on the system for \$50 and then we can order items in any combination and number that we want. They will not be screen painted.

New Business: Motion to table the spaghetti feed until next year. We should have started it earlier. Motion passed.
