## Season's Greetings

### Pot Luck Supper!

Snow season that is. The second meeting of the new season is upon us. As we did last season, we will start October's meeting with a POT LUCK supper. The meeting is **WEDNESDAY, OCTOBER 16th**. The supper will begin at 6:00 p.m. The regular meeting will follow at 7:00 p.m. Mark your calendars and come on out to the Knights of Pythias Hall. See you there.

### Address Changes

The 911 committees around the area have been busy and as a result most of our members have new addresses. Many of our members from 1995 have already joined in 1996 and have updated their address. For them this newsletter should arrive on schedule. If your's is delayed, we apologize but, it's probably because we don't have your new address. The easiest way to correct the problem is to make the next meeting and give me the change (along with your 1996 dues would be nice). If you can't make the meeting this month, give me a call at 666-3431 and I'll make sure we get your address updated before the next edition.

### Phone Tree

Along with updating the address, I'll be updating the club's "Phone Tree". It should be completed and ready for distribution with the next newsletter. I will try to get it right the first time this year which means getting the right phone numbers. If your number has changed or if you wish not to have your number published on the tree, please let me know at the meeting or give me a call. The answering machine is always on.

### Trailmasters' Corner

Every year at this time our Trailmasters are out putting a lot of hours and hard work into getting the trails ready for the season. As always, the more help they get the easier it is and if we work together, it gets done much faster. We have a reputation for having some of the best trails in Maine thanks largely to a great group we call our Trailmasters. Lend a hand please. If you've got some spare time on your hands, give Al, Hollis, Jack or Junior a call. They can tell you where our trails need work.

## Regular monthly meeting FEB 21st!

The regular monthly meeting will be held on February 21st. On the agenda will be the final planning for the Milli-

nocket trip and the poker run. We will also be forming a nomination committee to recommend a slate of Club Officers for the 1996-97 season. We need your support so, please plan on attending!

## 1996 Millinocket Trip!

The 1996 Millinocket trip dates are February 22-25. By all reports riding conditions are marginal in the Millinocket area but, at this point we are still planning on going. We will be headed up there this week-end to get

a look for ourselves. Those persons who have reserved rooms with me

need to let me know by Wenesday night, FEB 21st if you are NOT going. There are rooms still available. Call Gary at 666-3431 to make a reservatong or to cancel if you are not going.

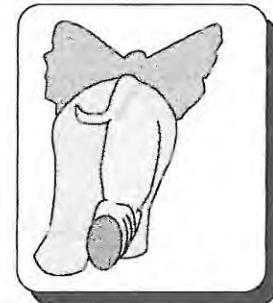

## Poker Run!!

As with the Millinocket trip, the Bowdoinham Snowbird Poker Run is still on the schedule. The date is MARCH 2, 1996 (SATURDAY). The starting time has been changed and is now planned for 9:00 a.m. More details will be available at the meeting or by calling Gary at 666-3431. As we have more rain predicted for late next week, we will use the calling tree to get the word out on any late changes.

## Calling all old photographs!

We are in search of old club photos for a club photo album.

We'd like to see how far back we can go. Bring them to the meeting or send them to Gary. We'll try to have the project completed for the summer picnic.

That's all folks.
