In memory of Robert C. Wallace

First meeting of the new season.

Where has summer gone. Seems like just yesterday we all met for our last meeting of 1999-2000. Now fall is here, the air is crisp and snow will not be far behind. So, with the coming of winter it's time for our first meeting of the new season. The date

is SEPTEMBER 20th, the place is the Bowdoinham Fire Department and the time is 7:00 p.m.

2000 picnic. what a Blast!

Once again our picnic committee turned in a superb effort and the result was another hugely successful picnic and landowner appreciation day. A crowd of over one hundred descended on the home of Dave & Barb Acker to enjoy the beautiful weather and all the outstanding food. Great job folks and as we have said now for the last several years, a special THANK YOU go to Dave & Barb Acker who opened their home and devoted vast hours of their time to preparing for the picnic. When you see Dave and Barb, be sure and say thanks!

Membership

2000 membership cards are in and ready. See June at the meeting to pay your 2000-2001 membership. Please remember that the best way to keep your MSA newspaper subscription going is to join early.

Trailmaster's Corner!

As you are all aware we lost our good friend and long time Trailmaster Bob Wallace recently. One never knows quite what to say at times like these. The loss of a family member or close friend is always difficult and certainly Bob was all of those things to us. One of our members said it best when he said simply, "we certainly lost a good one". We send

our deepest sympathies to Dot and all of Bob's family and our grateful appreciation to those who have contributed so generously to the Snowbirds in Bob's memory.
